Did You Know...

Subject Guides

The Library's Subject Guides were designed to help you find information and access materials relevant to your department.

Subject guides are compiled by your librarians, and list the most useful resources for your subject. The guides are a "one-stop shop" of information which show you the variety of resources you can access in the Library and online, including:

- databases
- journals
- books
- e-books
- websites
- writing and citing tools

Choose your area of study and explore the available subject guides. The guides are accessible on our library homepage under quick links. For direct access, click [here](#).

Library Liaisons

- ♦ Are the primary contact for faculty for questions and information regarding library collections, instructional support, and reference services.
- ♦ Find us [here](#).

**We also offer
Special Guides!**

Database Highlights

SciFinder® is your portal to chemistry and related information providing easy access to the most trusted collection of chemical substances, reactions and literature references in the world curated by expert scientists. The content is updated daily to ensure you have access to the most timely and accurate information available.

- **Get substances** – access the world's most trusted resource for substance information including chemical structures, chemical names and more.
- **Get reactions** – find dependable and current chemical reaction information from their extensive databases including reaction schemes, solvents and more.
- **Get references** – get the information you need when you need it with their unrivaled collection of the world's most up-to-date chemistry and related science information found in journals, patents, dissertations and more.

To access the database, click [here](#) or visit our library page and find it under our A-Z list of databases. Registration is required for access to the database.

Staff Spotlight

Sabrina De Anda

Sabrina has been with Library Services for over 5 years. Currently, she serves as the Public Services Librarian at the Pecan Campus Library and is responsible for

the library's public services operations including circulation and course reserves, as well as the development and delivery of information literacy instruction. Additionally, Sabrina serves as the Library Liaison for the Education Department.
